Good Day

Dear Sir,

Ref : MV KM Tokyo : Electronic Fuel Oil Non-Availability Disclosure

The subject vessel under our time charter will be arriving SW Pass (New Orleans) in ballast on around

the 26th of Dec for purpose of loading grains cargo in the Mississippi however due to unfortunate circumstances and non-availability of Low Sulphur Fuel on her way to New Orleans we herewith seek your kind approval to allow vessel to proceed into US Waters / Port using her Fuel with max 3.5% sulphur to enter US Territory / Waters / Port and then on arrival to lift compliant bunkers as soon as it can be arranged.

Our agents in New Orleans is Southport Details as follows :-
